7th Annual Roger Ebert Overlooked Film Festival City of Champaign Parking Instructions

Thank you attending the 7th Annual Roger Ebert Overlooked Film Festival. The City of Champaign Parking Programs Office welcomes you and is providing you with the following information to familiarize you with parking options and regulations in the Downtown area. Please contact Parking Programs at 217.403.7050 if you have any questions.

1. If you are parking **before** 5:00 PM on April 20 – 22, although you may park at any of the City's metered spaces, we encourage you to utilize the on-street and parking lot **meter spaces west of and including Randolph Street or in the Neil & Washington Lot**. These spaces, although open to the public, are generally vacant and available for use. Please see the Downtown Parking Map for parking options.
2. City-owned parking lots and meters are free to the public **after** 5:00 PM on weekdays and **all day** on weekends (except for designated 24 hour reserved spaces in the Walnut & Washington Lot). During these times, please feel free to use any valid, available space you find in the Downtown area.
